WASHINGTON — The United States Mint will open sales for product options with Kennedy half-dollars Feb. 13 at noon Eastern Standard Time.

K12	Two-Roll Set (20 coins per roll)	“P” and “D”	\$32.95

The bags and rolls contain circulating quality Kennedy half-dollar coins from the United States Mint facilities at Denver and Philadelphia that have never been placed into circulation. Each coin roll in the two-roll set is wrapped in a United States Mint paper coin wrap that displays a “P” or “D” for its mint of origin and “\$10” for its face value. Each bag is marked with a “P” and “D” for the mints of origin and “\$100” for the face value of its contents.

The obverse (heads side) of the Kennedy half-dollar features a strong but simple portrait of President John Fitzgerald Kennedy and the inscriptions *LIBERTY* and *IN GOD WE TRUST*. The reverse (tails side) design is based on the presidential seal and consists of a heraldic eagle with a shield on its breast holding a symbolic olive branch and a bundle of 13 arrows. A ring of 50 stars surrounds the design with the inscriptions *UNITED STATES OF AMERICA* and *HALF DOLLAR*.

Collectors may purchase the Kennedy half-dollar bags and rolls through the United States Mint’s Online Subscription Program. For more information about this convenient ordering method, please visit <http://www.usmint.gov/catalog>. Additional products commemorating the 50th anniversary of the Kennedy half-dollar will be announced and available later this year.
